

AUGUST SERVICE Ideas

Kids & Families

It's hard to believe it's the end of summer! Let's help our students as they return to school. Many local schools, and agencies collect school supplies for students so they can get off to a good start! Consider purchasing and donating school supplies.

Teacher's

Most teacher's purchase their own supplies for their classroom. Each year our family puts together a First Day of School Basket for our children's teachers. It contains items such as dry erase markers, stickers, pen's, a notebook, and a gift card to Amazon. Let's help support our teacher's as they head back to school!
